Bravo, Chapters!
Announcing the 2015–2016 ACS Student Chapter Award Winners

The ACS Society Committee on Education has selected 284 chapters to receive special recognition for distinguished programs and activities described in their 2015–2016 annual reports. They will be honored at the 253rd ACS National Meeting in San Francisco, CA, on Sunday, April 2, 2017.

In addition, the ACS Green Chemistry Institute is recognizing 52 chapters that have engaged in at least three green chemistry activities as a way of integrating environmentally benign technologies in an academic setting.

Congratulations to the 46 Outstanding, 94 Commendable, and 144 Honorable Mention award-winning student chapters!
